* Please enter your personal reference code to begin your application. (required)

I do not have a Personal Reference Code

If you do not have a personal reference code, you may answer a series of questions to find out if you are eligible to apply for a visa and/or permit, apply for Express Entry, and begin an online application.

If you begin your application after you have logged into your account, you will not receive a personal reference code, as the system will save your document checklist right into your account.
